Honorable Jean M. Ramppen, Clerk
Orange County Legislature
15 Matthews Street – Suite 203
Goshen, New York 10924

Re: *In the Matter of Town Law Article Five Petition for Division of the
Town of Monroe, County of Orange, State of New York
Revised Legal Common Boundary Description, Map and Name*

Dear Ms. Ramppen:

As you know, I am one of the agents for the petitioners of the above-referenced Petition which was filed with the County Legislature on or about September 12, 2016. On behalf of all the petitioners and the 2 additional agents, please accept for filing the enclosed revised Exhibits A and B to the Petition, reflecting a modified Legal Common Boundary Description and Map, respectively, reducing the total area of the proposed new Town outside of the Village of Kiryas Joel (as it exists now) to 56+/- acres. The enclosed Exhibits are intended to supersede and replace for all purposes the current Common Boundary Description and Map in the Petition presently before the Legislature. Accordingly, please replace and remove the original Exhibits A and B and return them to my attention.

In addition, the originally proposed name of the new town as presented in the petition was Town of North Monroe, I hereby withdrew the new town name of North Monroe and instead request that the name of the new town be called Town of Palm Tree. Please replace all references to North Monroe to the new name Town of Palm Tree.

Thank you for your continued courtesies and assistance.

Respectfully yours,

Gedalye Szegedin
