“I have long believed in forging connections between law enforcement and our citizens,” said District Attorney Hoovler, “because those connections provide us with valuable information about how to focus our resources on enforcement efforts and on crime prevention. Since I took office in 2014, I have sought to develop my office’s presence in our communities and with our community leaders. ‘Coffee with the DA’ is another step in my efforts to connect with our citizens. I’ll be available to directly discuss with our citizens any issue about law enforcement

that might be of concern to them. The coffee and donuts are on me, so please come on out and let me know about the issues that are of importance to you.”

The District Attorney will be hosting more “Coffee with the DA” events in the fall.
