RESOLUTION NO. OF 2018

RESOLUTION CALLING FOR STATE FUNDING OF A SCHOOL RESOURCE OFFICER FOR EVERY ELEMENTARY AND SECONDARY SCHOOL IN NEW YORK STATE.

WHEREAS, our children are deserving of the best protection possible when they are away from their homes and in the care and custody of our educational institutions, and

WHEREAS, we are, unfortunately, in an era where children in schools have too often become a target for evil persons wishing to cause mayhem and terror, and

WHEREAS, chief among the things that can be done quickly to increase the safety of our children and their schools is to provide an armed police presence in the schools, and

WHEREAS, due to budget constraints, tax caps and limited sources of revenue, it is beyond the fiscal capability of many school districts and other local government entities to fund the placing of an armed police officer in every school, and

WHEREAS, the current threat to the safety of our children in their schools is a public safety emergency requiring a statewide response by our state government, with its multiple revenue sources, to address this emergency,

NOW, THEREFORE, be it hereby

RESOLVED, that We, the Orange County Legislature does hereby support the New York State Sheriffs' Association in its call for the state funding of an armed school resource officer in every elementary and secondary school in New York State, and does hereby call upon the New York State Legislature and the Governor to include in the 2018 Annual State Budget funding for that purpose.

RESOLVED, that the Clerk of the Orange County Legislature forward a certified copy of this resolution to the Honorable Andrew Cuomo, Governor of the State of New York, the Speaker of the New York State Assembly, the Majority Leader of the New York State Senate and all Senators and Assembly Members whose Legislative Districts are in Orange County.

DATED: APRIL 6, 2018

RESOLUTION NO. OF 2018

RESOLUTION OF THE ORANGE COUNTY LEGISLATURE URGING THE NEW YORK STATE LEGISLATURE AND GOVERNOR OF THE STATE OF NEW YORK TO ENACT SENATE BILL NO. 2761 AND ASSEMBLY BILL NO. 3398, "LAREE'S LAW"

WHEREAS, the New York State Legislature is considering Senate Bill No. 2761 and Assembly Bill No. 3398, "Laree's Law," which creates a new section 125.24 under the New York State Penal Law, "Homicide By Sale of An Opiate Controlled Substance;" and

WHEREAS, Laree's Law is named after Laree Farrell Lincoln, a Colonie teenager who died of a heroin overdose in 2013; and

WHEREAS, this Legislation is intended to target mid to high level drug dealers who profit from heroin sales, and includes a "co-user" carve out. The State Legislature's intent is to "hold drug dealers accountable for the true cost of their activities, significantly diminish the open availability of these dangerous drugs on our streets and give district attorneys the necessary tools to work up the criminal chain to the ultimate supplier"; and

Proposed Section 125.24 reads as follows:

A person who is guilty of Homicide by sale of an opiate controlled substance when he or she unlawfully transports by importing into the state or transporting within the state from one county into another, or unlawfully sells as defined by subdivision one of section 220.00 of this chapter, an opiate controlled substance as defined by subdivision twenty-one of section 220.00 of this chapter, and such opiate controlled substance causes the death of another person.

It shall be a defense to homicide by sale of an opiate controlled substance that the defendant jointly and simultaneously acquired and possessed such opiate controlled substance for joint use with the deceased, with the intent to jointly inject, inhale or otherwise ingest such opiate controlled substance.

Homicide by sale of an opiate controlled substance is a Class A-I Felony.

NOW, THEREFORE, be it hereby

RESOLVED, that this Legislature finds that Laree's Law will provide an additional legal mechanism for law enforcement to battle the opiate epidemic and make drug dealers account for their actions; and be it further

RESOLVED, that We, the Orange County Legislature, hereby urge the New York State Legislature and the Governor of the State of New York to enact Senate Bill No. 2761 and Assembly Bill No. 3398, "Laree's Law"; and be it further

The Honorable Steven M. Neuhaus
Orange County Executive
40 Matthews Street
Goshen, NY 10924

Dear Mr. Neuhaus,

I am pleased to announce that Orange County has been awarded \$864,231 under the New York State 2017 Statewide Interoperable Communications Grant Program (2017 SICG-Formula). This program, administered by my agency, allows for State support to aid county, local and municipal public safety organizations in enhancing emergency response, improving capability, improvements in governance structures, operating procedures, infrastructure development, and addressing SAFECOM guidance from the U.S. Department of Homeland Security Office of Emergency Communications (OEC). The 2017 SICG-Formula Program will concentrate on improving interoperability and operability of communication systems in New York State. Your participation in this program is another example of the successful partnerships we have been developing for public safety and emergency preparedness across the State.

The performance period for the 2017-18 SICG grant will be 24 months, beginning calendar year 2018 (January 1, 2018– December 31, 2019), with a possibility of an extension. Expenses that you wish to claim must occur within that period. In order to provide these funds to you as quickly as possible, we will need to gather budget information within 30 calendar days of the date of this letter that reflects the award amount. Our Grants Program Administration staff will work with your designated SICG point of contact, to provide additional administrative guidance and to develop a grant contract.

On behalf of Governor Andrew Cuomo, the Division of Homeland Security and Emergency Services remains committed to providing outstanding support in the administration of "*your public safety first*" responder initiatives. Please feel free to contact me if you have any questions, at 518-242-5000, or my Office of Interoperable and Emergency Communications (OIEC) Director, Michael A. Sprague, at 518-322-4911.

Thank you for your cooperation in this public safety endeavor.

Sincerely,

Roger L. Parrino, Sr.
Commissioner

**Re: NYS Executive Law Article 13-A Classification/ATI Programs
2018-19 Contract**

Amount	Program No./Contract No.	Program Name
\$143,506	CL17-1031-D01/ C523943	Orange County 13A Classification

Dear County Executive Neuhaus:

I am pleased to inform you that Orange County is eligible to receive funding provided through the NYS Executive Law Article 13-A Classification/Alternatives-to-Incarceration (ATI) Program in the total amount of \$143,506 for the term July 1, 2018 to June 30, 2019.

Your award is contingent upon the availability of state funds, and the submission and approval of the annual Alternatives-to-Incarceration (ATI) Service Plan Application. This funding provides localities the opportunity to annually examine their criminal justice and jail populations and to conduct planning for effective ATI programs that reduce re-arrest and unnecessary reliance on incarceration. The ATI Service Plan Application will facilitate the preparation of your contract and, once approved, will enable the state to grant your county the continued use of reduced classification at the county's jail facility.

The following attachments are due to the Division of Criminal Justice Services (DCJS) via the DCJS Grants Management System (GMS) by March 30, 2018.

- Section A – 2018-19 ATI Service Plan Application Advisory Board Information – This section should be completed once for your county by the ATI Advisory Board Chair or designee and should be attached in GMS to the Project ID grant record(s) named above.
- Section B – 2018-19 ATI Service Plan and Application for Funding – This section should be copied and completed for each 13-A Classification/ATI program and attached in GMS to the Project ID grant record(s) named above.

Additional contractual documents and requirements are to be completed by the above indicated due date. Please see the attached instruction sheet for additional information and directions.

Portions of the ATI Service Plan application require official signatures and therefore may require county legislative approvals. If your county has this requirement as part of your ATI

Service Plan Application process, please add the ATI Service Plan to your upcoming Legislative agenda as soon as possible to facilitate a timely contract.

If you have questions or need assistance with GMS, please contact the GMS Helpdesk at (518) 457-9787. For questions regarding your ATI program or this Application please contact Cynthia Blair, DCJS Community Corrections Representative 3 at (518) 485-5145 or cynthia.blair@dcjs.ny.gov.

Congratulations on your award. We look forward to continuing our work with you on this important project.

Very truly yours,

Michael C. Green
Executive Deputy Commissioner
