RE: OFFICE FOR THE AGING – LEGISLATIVE REQUEST 138

Office for the Aging has submitted a legislative request to reclassify one part-time position to full time in the title of Aging Services Specialist, Grade 09, (#04655).

This increase represents a change in hours only; no change in grade or classification is warranted. The position has been filled through the competitive examination process, and this change will not impact the Civil Service status of the incumbent.

Please note, since the position is grant funded, it shall be automatically abolished upon cancellation of such funding.

Sena, Dina

Dear Colleagues:

Attached please find the NY Connects allocation schedule for SFY 2018-19. This schedule reflects total NY Connects funding to AAAs for this fiscal year.

In the near future I will be issuing SFY 2018-19 allocation schedules for CSE, EISEP and WIN. As discussed on the recent fiscal call, later this month we will provide each AAA with an advance equal to 25 percent of the total annual program funding for each of the three programs. Please contact your fiscal team with any questions on the advance process.

Please let me know if you have any questions. Thank you.

Best,
--Jim
