Seconded by Mr. Vero.

Chairman Brescia recalled it was his birthday, the year was 1996 and he was Mayor of the Village of Montgomery for six years when he heard the news. He was traumatized. The Maybrook community was shaken along with the entire Montgomery community. He sent two police officers to help with the search, to find evidence. He was speaking with Legislator Sassi and they both have twelve-year old sons, you just cannot imagine something like that happening. This person is up for parole next month and they cannot sit by. Mayor Dennis Leahy was very concerned and did not want the family to go through the same grief again. They were given permission to bring forward this resolution. Our communities were very traumatized.

Montgomery Supervisor, Brian Maher, was there on behalf of friends and family of Danny Meyer. Chairman Brescia was Mayor at the time, but for him it was a different experience. It impacted families from all over the Town of Montgomery. He was eleven years old, and his parents and other parents had a tremendous reaction. He recalled not being allowed out of the house for months. They could not believe that so many other parts of our country go through atrocities like this, that it can happen to them, and it can happen here. Here they are twenty-five years later and this individual who was twenty-two years old at the time who brutally murdered a twelve-year old child is now looking at potentially having freedom and that is something that the family is very concerned about. The family approached him and other individuals to get the word out. They created an online petition, and he was pleased to say that over the last several days there is over 3,300 signatures on the online petition. This will help with promote the online petition to get more signatures there. They are very happy that the resolution will be sent directly to the Parole Board. They encourage many individuals to do that as well. He read a statement from Rhonda D'Auria who has been speaking on behalf of the family. The family does not want to be in the limelight and relive what happened to them so long ago.

"The family of Danny Meyer and those of us involved in the mission to keep this killer in jail, we thank you all. My daughter Shannon and I began this as a grassroots campaign to inform and remind others of the heinous and unthinkable crime. We cannot forget this horrific time and the devastation for the Meyer family. We hope that with the communities help and the commitment of our elected officials, that we can keep this child killer behind bars. We thank you Chairman Brescia and the County Legislature for giving us the power of our voices to be heard. Thank you, From Rhonda D'Auria"

"Alone we can do so little, together we can do so much." (Helen Keller)

Supervisor Maher thanked the Legislature.

Chairman Brescia stated that the Maybrook community came together so much after this tragedy and built a beautiful playground in Danny's memory and Mayor Leahy helped preserve it over the years.

Mr. O'Donnell commented that it was another tragedy in Orange County. Our hearts go out to the family that they have to relive this tragedy in an open court parole board hearing. As most of you may know, his best friend was killed in the line of duty. We were very fortunate that the responding troopers killed the person who killed Billy, so they do not need to go through this. The trooper that was killed after Billy, his killer was released last year. Sending letters to the Parole Board to keep Juan Peinado in prison is helpful and has an impact. Mr. Peinado was twenty-two years old, posed as a teenager and was placed in a foster home, entered the country illegally, he is from Guatemala, and he was told that if Mr. Peinado is granted parole he would be sent back to Guatemala. That does not do anything for the family of Danny Meyer. The person who killed their son, robbed them of all the love and affection that a twelve-year-old can bring. Seeing him go through his youth and become an outstanding citizen. He was buried in his boy scout uniform. He was on his way to a little league game when it happened. He feels terrible for the family that they had to go through this. If there are people who want to write to the parole board, it is www.doccs.ny.gov and go to Board of Parole and you can write a letter. Peinado's inmate number 97A7185.

Ms. Tautel request that the Atlantic Fibre Optic LLC parcel in the Town of Goshen be voted on separately. She added that the town did not support that parcel to be added to the Agricultural District.

Ms. Tautel made a motion to remove Atlantic Fibre Optic LLL, SBL 18-2-10 and vote on it separately, seconded by Mr. Luján. Motion carried. All in favor.

Ms. Tautel explained that there was controversy as to what is on the property. She was not comfortable having it added to the Agriculture District especially since the town did not consent to it.

Mr. Ruszkiewicz explained that the Town of Goshen submitted a letter expressing concerns about the current use of the property. According to the Agriculture District law, to be in the Agriculture District, you do not have to currently have an operation on the property, but the property must be capable of supporting an agricultural operation. Last year during the eight-year review, the property was removed. The property owners were to contact the Planning Department if they were notified they were being removed. Unfortunately, this particular property owner was in the hospital and was not able to request to stay in the Agricultural District. When he did reach out it was too

late, he was told to apply in March during the annual review. The Agricultural and Farmland Protection Board recommends this parcel be added back into the Agricultural District No. 1.

RESOLUTION NO. 172 OF 2021

RESOLUTION OF THE ORANGE COUNTY LEGISLATURE CONFIRMING THE APPOINTMENT BY THE MAJORITY LEADER OF THE ORANGE COUNTY LEGISLATURE TO THE ORANGE COUNTY INDUSTRIAL DEVELOPMENT AGENCY, PURSUANT TO SECTIONS 856 AND 912 OF THE GENERAL MUNICIPAL LAW.

WHEREAS, Honorable Katie Bonelli, Majority Leader of the Orange County Legislature, has notified the County Legislature that she has made the following appointment to the Orange County Industrial Development Agency:

APPOINTMENT

Dean Tamburri
Newburgh, New York

TERM EXPIRES

December 31, 2021

NOW, THEREFORE, it is hereby

RESOLVED, that, in accordance with Section 856, subdivision 2, of the General Municipal Law, the Clerk of the County Legislature is directed to transmit a certificate of the appointment of the said Dean Tamburri to the Secretary of State together with a certified copy of this Resolution.

Seconded by Mr. Vero.

Mr. Ruszkiewicz stated that he planned to vote no on the next two resolutions. It has nothing to do with the individual, he believed Mr. Tamburri is well qualified and represents labor well. His objection was the potential conflict of interest is having a labor representative on the IDA Board. Currently they have a five member board that is working very well. The District Attorney and the State Comptroller will be putting out a report with recommendations for the IDA. The State Legislature has been working on many bills that can have recommendations or requirements for memberships on IDA Boards. He felt they should hold off on further appointments to the IDA Board until the recommendations come out. Once the recommendations are out, they should sit down as a Legislature and come up with a list of criteria for IDA Board members.

Mr. Hines whole heartedly supports the appointment of Dean Tamburri. He is a man of great character and he felt he would do a great job on the IDA Board. The IDA Board is supposed to have seven members and they are down two which is handcuffing the existing board. They want to be back to full strength as soon as possible which would be in the best interest of the IDA. He has a pretty good track record of voting for confirmations of appointments to the IDA Board. He voted no to Mr. Diana's confirmation, and he called for the resignations of many members of the IDA in the past. He urged his colleagues to support the appointment of Mr. Tamburri. Those that think there is a conflict, he stressed that there is not. The IDA does not award any benefits to unions. The IDA awards benefits to projects and to landowners to create jobs in the regions. Local 17 does not get any IDA approvals, they do not ask for IDA money and there is no guarantee that the unions will get the necessary work from the various contractors. This is not a vote for labor, it is a vote to create jobs and he felt Mr. Tamburri has a great background to help with that.

Mr. O'Donnell agreed with Mr. Hines. He brought forward the name of Dean Tamburri. There is no conflict of interest. Mr. Tamburri is going to sign a conflict of interest form and an ethics form. This will help move projects forward. He urged his colleagues to support the appointment.

Mr. Ruskiewicz mentioned that the IDA Board has a strong labor policy with local labor requirements. The interest of local labor is very well represented already.

Mr. Kulisek agreed with the comments by Legislators Hines and O'Donnell.

Ms. Bonelli provided the new policies to Mr. Tamburri for review, and he advised her that he was comfortable signing them.

Chairman Brescia explained that he planned to recuse himself because he did not want the appointment to be tainted. He supports the new IDA Board. He was the first one to bring a labor appointment and he feels they should have a labor appointment. He was resistant to some of the changes and the removal of some of the board members including himself, but he endorses that now and he understands why the Legislature did what they did. Some of the revelations shocked him. He did not want to taint Mr. Tamburri by voting because he has been accused of being ex-officio or still being involved with the IDA. That is far from the truth and he has had zero involvement with the Orange County IDA since the removal.
