

**Resolution 2020-03**

**Support Changes to the Functional Classification of Town of Wallkill Roadways  
Old East Main Street from Minor Arterial to Local Road  
Crystal Run Crossing from Local Road to Minor Arterial  
Midway Road from Local Road to Major Collector**

**WHEREAS**, the Orange County Transportation Council (OCTC) has been designated by the Governor of the State of New York as the Metropolitan Planning Organization responsible, together with the State, for the comprehensive, continuing, and cooperative transportation planning process for Orange County; and

**WHEREAS**, the New York State Department of Transportation (NYSDOT) is the state agency responsible for coordinating and assisting in the development and operation of transportation facilities and services for highways, railroads, mass transit, ports, waterways and aviation; and,

**WHEREAS**, NYSDOT is pursuing changes in the functional classification of three town roadways in the Town of Wallkill due to the completion of the NYS Route 17 at Exit 122 reconstruction project, completed in 2015, which has changed the character of service that each of the roads provide; and,

**WHEREAS**, those proposed changes to the functional classification of roadways in the OCTC planning area include changing Old East Main Street from a minor arterial to a local road, Crystal Run Crossing from a local road to a minor arterial, and Midway Road from a local road to a major collector,

**NOW, THEREFORE, BE IT RESOLVED**, that the Orange County Transportation Council hereby expresses its support for these changes to the functional classification of the Town of Wallkill roadways as listed in Attachment 1.

**CERTIFICATE:** The undersigned duly qualified Secretary of the Orange County Transportation Council certifies that the foregoing is a true and correct copy of a resolution adopted by the voting members of the Council on June 9, 2020

Date: Jun 9, 2020

By:   
Lance C. MacMillan, P.E., Secretary  
Orange County Transportation Council
