**Undoing Racism®** is a two and a half day workshop designed to train, educate, challenge, and empower participants to undo the racist structures that hinder effective social change. Through dialogue, reflection, role-playing, strategic planning and presentations, this intensive process challenges participants to analyze the structures of power and privilege that hinder social equity. The training is based on the premise that racism has been systematically constructed and that it can be undone when we understand where it comes from, how it functions, why it is perpetuated and what we can do to dismantle it.

**\$45 per person (lunch included)**

**Participants must attend all three days.**
