

***** ALL CLINICS ARE BY APPOINTMENT ONLY *****

**2019 Orange County Department of Health
ADULT/TRAVEL IMMUNIZATION CLINIC SCHEDULE**

This clinic is open to anyone needing vaccines for travel, employment, or adult education requirements. The clinics are held in the Goshen location of the Orange County Department of Health and are by appointment only. To schedule an appointment and obtain fee/dose, please call 845-291-2330. Please note that certain vaccines require a prescription signed by a New York State licensed physician.

*****Insured children should be seen by their primary physician for immunizations*****
