BOARD MEETING SUMMARY: October 1, 2018

BOARD MEMBERS: Bob Scott, Ben Astorino, John Tracy, Ed Garling, John Strobl, Ralph Maffei

BOARD SUPPORT: Carrie Scali (*OC Planning*)

GUESTS:

MOTIONS:

To accept the September meeting minutes. Ben Astorino motioned, Ed Garling seconded and it passed with Ralph Maffei abstaining due to not being present at the September meeting.

The tenth board meeting of 2018 opened with a quick briefing on the Annual Dinner. It was suggested to try and hold the dinner on different nights of the week each year to make it easier to accommodate people. We can also try and hold the dinner on an evening in a month where there is a fifth week as most boards should not have a meeting during that week. For the most part, everyone received positive feedback on the dinner. It was agreed that Scott Geiger was difficult to hear and the acoustics of Delancey's is very poor. Will have to keep that in mind for next year.

The meeting continued with a discussion about the possibility of creating an online tracking system of unusual projects for town boards to refer to when needed. Carrie was to follow up with Dave Church to discuss options.

Ralph then motioned to adjourn the meeting at approximately 6:10 pm, Ben seconded and it passed unanimously.
