# RETIRED Law Enforcement H.R. 218

National Concealed Carry Qualification

LAW

ENFORCEMENT

OFFICERS

SAFETY

ACT

The Orange County Sheriff's Office is pleased to provide firearms qualification to prior law enforcement officers, who have separated from service and wish to take advantage of the privileges afforded to them with the passing of the Law Enforcement Officers Safety Act (Public Law No: 108-277) (18 U.S. Code 926C).

Using our state of the art, outdoor range, the qualification is done under the supervision of a N.Y.S.D.C.J.S. certified firearms instructor that is qualified to conduct a firearms qualification test for active duty officers within the State of New York.

A "qualified retired law enforcement officer" is defined as an individual who:

- ◆ has separated from service in good standing with a government agency as a law enforcement officer for an aggregate of ten (10) years or more or separated from such an agency due to a service-connected disability after completing any applicable probationary period of such service;
- ◆ was authorized by law to engage in or supervise the prevention, detection, investigation, prosecution or the incarceration of any person for any violation of law;
- ◆ had statutory powers of arrest or apprehension under the Uniform Code of Military Justice;
- ◆ is not under the influence of alcohol or another intoxicating or hallucinatory drug or substance; and
- ◆ is not prohibited by Federal law from possessing a firearm.

The law also defines law enforcement officers formerly employed by the Amtrak Police Department and the Federal Reserve Police Department to be "qualified active law enforcement officers" even though these were not employees of a governmental agency. Further, any former "law enforcement or police officer of the executive branch of the Federal Government" is also included in the definition.

## Required Items:

- ◆ A copy of a valid New York State pistol permit
- ◆ A copy of a current "retired" Peace/Police Officer's identification card from your former department
- ◆ A safe and functional firearm (semi-automatic/revolver)
- ◆ A safe and functional holster will be provided for all semi-automatics
- ◆ A hard holster is preferred for revolvers
- ◆ A minimum of 50 rounds factory ammunition, per firearm. No reloads.
- ◆ Reloading devices, magazines or speed loaders and a belt mounted carrying pouch

Once you qualify, you receive a firearms qualification card in the mail, that is valid for one (1) year from the day you qualified. With this card and your retired agency identification card, you will be permitted to carry concealed in all fifty (50) States, including U.S. Territories.

\$25 for Semi-Automatic and/or Revolver  
*\*No additional cost for second firearm*
