CIVILIAN TACTICAL HANDGUN TRAINING

We're not just going to teach you how to shoot...we'll teach you how to win the gun fight!

Concealed Carry with Confidence

10-02-2022

The Orange County Sheriff's Office Civilian Tactical Handgun Training Unit offers citizens who are applying for a Premise, Business Premise, or Concealed Carry Handgun Permit a comprehensive training program that meets New York State standards for Concealed Carry preparation and firearms training.

Responsible gun ownership involves the development of knowledge, skills, and attitudes. The Concealed Carry Permit Course is a three-part training program with a progression from training handguns to live fire and with development of a personal self-defense plan, incorporating defensive shooting skills, situational awareness, and mental and tactical techniques necessary for survival in real-world hostile encounters.

Concealed Carry Permit Course

Part 1

Part 1 is a hands-on, non-shooting course covering basic handgun operations, universal safety rules and safe gun handling, cleaning, safe storage and transportation, and an introduction to the New York State Penal Law Article 35. Concealed Carry Permit Course Part 1 is available to those seeking a Premise/Business Premise or transferring from outside the county.

Part 2

Part 2 is a comprehensive classroom presentation and Simunition shooting class with a focus on state and Federal gun laws, statutorily sensitive places a permit holder may not carry, suicide prevention, and adverse effects of alcohol and drugs related to firearm safety. The class covers an in-depth look at the elements of Defense of Justification of the use of force and what to do encountering Law Enforcement after a shooting.

Part 2 (continued)

The fundamentals of marksmanship shooting are introduced with a safety first attitude. Training includes repetitive drills, using Simunition and laser handguns, designed to develop and improve accuracy and speed.

The student is introduced to shooting from a holster and moving while shooting.

Part 3

Combined classroom presentation and shooting class with focus on development of a personal self-defense plan, situational awareness, conflict management and de-escalation of a hostile event. Training is designed improve marksmanship fundamentals and introduce defensive shooting skills and strategy using Simunition training handguns. The class will include the successful passage of the required written exam and shooting qualification.
