

## REQUIRED ITEMS FOR SIMMUNITION HANDGUN TRAINING

**Required range attire:** Students will be equipped with an outside the waistband hard holster. Therefore, arrive to class with clothing appropriate to going to a live-fire range. Failure to have the items listed below may result in the student being asked to re-register and pay for another class. If coming directly from work, plan accordingly!

All shooters **must** have:

**Eye protection**

**Baseball style cap**

**Long pants with sturdy belt loops** – Pants must have loops sturdy enough to put a sturdy belt through. (I.e. Cargo, range, or thick denim pants) \* No Shorts, stretch, or fashion pants.

**Sturdy leather belt** – Belt loops and belt must support a hard holster and full-size handgun\*. No skinny, stretchy, or fashion dress belts.

**Tuckable shirt** - A short sleeve or long sleeve shirt that tucks into your pants so that you can draw from the holster without any impediment. No sleeveless shirts or shirts with a low-cut neck line.

**Closed toed shoes** - Comfortable sneakers, boots or other range appropriate shoes.

**Review Materials:** Prior to class, review the student handbooks you received at previously completed classes in the Civilian Tactical Handgun Training series.

**Other items to bring:** A snack and beverage, pen, and **layered clothing**. The classroom temperature varies. It can be cold in summer and hot in winter.

\* Firearms used in the classroom are full-size non-lethal Simunition training handguns.
