### Sheriff Carl E. DuBois Announces a Trio of Arrests

**Town of Newburgh, NY**— On Thursday, October 31, 2019, the Orange County Probation Department, along with the Sheriff's Office, teamed up to enforce the supervision of Probationers through home visits. One visit led to the arrest of three people. 52-year-old Lorenzo Lopez, of the Town of Newburgh, was found in possession of crack cocaine and several pill bottles containing Oxycodone, Tramadol, and Dexmethylphenidate, commonly known as Adderall. All of the pills are controlled substances. Lopez was charged with Criminal Possession of a Controlled Substance in the 5<sup>th</sup> degree, a class "D" Felony, Endangering the Welfare of a Child, a class "A" Misdemeanor, and Violation of Probation.

In addition to Lopez, Deputies arrested a 45-year-old female, Nancy Corrigan, of Wappinger Falls, and a 26-year-old man, Devin Zarnoff, of the Town of Newburgh. Corrigan was charged with Criminal Possession of a Controlled Substance in the 7<sup>th</sup> Degree, a class "A" Misdemeanor. Zarnoff was charged with False Personation, a class "B" Misdemeanor.

All three defendants were arraigned before Justice Clarino in the Town of Newburgh court. Bail was set at \$2,500 cash or \$5,000 secured bond for Lorenzo Lopez. Nancy Corrigan was arraigned and released on her own recognizance. Devin Zarnoff was arraigned and released on his own recognizance, then turned over to the New York State Police on an outstanding Bench Warrant.

Orange County Sheriff Carl E. DuBois stated, "The current epidemic of overdose deaths related to opioid use calls out for operations such as these and our collaborative efforts with Probation. Joint operations provide a resourceful approach to positively impact the safety of our communities."

Orange County District Attorney David M. Hoovler stated, "We are in the midst of a heroin epidemic," said District Attorney David M. Hoovler, "and many low-level drug defendants, like two of these, only decide to engage in treatment after being arrested. In 2020, the upcoming bail reforms will adversely affect our ability to cause those defendants to engage in treatment and will hinder our efforts to bring to justice those who peddle dangerous drugs to those whose addiction makes it hard for them to help themselves."

Notice:

A criminal charge is merely an allegation by the police that a defendant has committed a violation of the criminal law, and it is not evidence of guilt. All defendants are presumed innocent and entitled to a fair trial, during which it will be the State of New York's burden to prove guilt beyond a reasonable doubt.
