Definitions:

Adult Home – Licensed by New York State (NYS) Department of Social Services, adult homes provide long-term residential care, room, board, housekeeping, personal care and supervision to five (5) or more adults unrelated to the operator. Residents must not require medical or nursing care.

Assisted Living Facility – Licensed by NYS Department of Social Services and NYS Department of Health, assisted living facilities combine residential and home care services. It was designed as an alternative to nursing home placement. The operator of the facility is responsible for providing and arranging for resident services that must include room, board, housekeeping, supervision, personal care, case management and home health services (home health aides, intermittent skilled nursing, medical supplies and equipment, personal emergency response systems and adult day health care).

ADL – Activities of Daily Living (bathing, dressing, personal hygiene, toileting, transferring, mobility, eating)

RN – Registered Nurse

SSI – Supplemental Security Income. Some facilities accept SSI as partial payment.
