

# Let's All Do Lunch!

Join Orange County Volunteers and make the rounds.  
Bring a nutritious meal & a smile to our older adults!

On Wednesday, March 18<sup>th</sup>, local officials will have the opportunity to help deliver meals to senior citizens in their community. It will be a special and rewarding day for us all. You will put a smile on the faces of the older adults you serve. It will give you an opportunity to meet and chat with your local constituents and you'll be glad you pitched in and gave the time. For many, the meal you deliver will be their only meal for the day.

The fact is, last year alone, our Office for the Aging provided delicious and nutritionally balanced meals to over 900 older adults throughout Orange County. That equates to over 200,000 meals annually! Help us make a difference and put a smile on the faces of our older adults. We thank you in advance for your participation in our 11<sup>th</sup> Annual "Big Wheels March for Meals" program.
