This program is designed to assist our local volunteer agencies with potential members who do not have the financial means to attend the Original EMT-B program at the Emergency Services Center. We will offer two scholarships in both the fall and spring class.

Each agency may submit a qualified individual 30 days prior to the start of class.

Sponsor and recipients of the scholarship must

- Have financial need as determined by the sponsor
- Pay the registration fee of \$50.00 plus cost of book
 - AAOS Emergency Care and Transportation of the Sick and Injured, 12th Edition
ISBN 978-1-284-22721-5
- Complete an essay on **The Role of EMS in the Community** and why they want to be a part of their volunteer organization. It should be approximately 500 words. This is submitted to the Orange County Division.
- Agree to volunteer 600 hours with their sponsor organization. Hours to be tracked by the sponsor.

Recipients will be notified through their sponsoring agency.
