

Emergency Medical Services Education

Do you want to become an Emergency Medical Technician?

The Orange County Division of EMS offers both original and refresher courses for NYS Emergency Medical Technician (EMT). Classes are a combination of in person and self-directed learning.

Tuition fees

EMT Original Course \$750

EMT Refresher Course \$335

All applications must be submitted no later than five (5) business days prior to the first day of class and be accompanied by a \$50.00 non-refundable registration fee. The registration fee must be a separate payment. Full payment of tuition fees is due on the first day of class. Registration and tuition fees can be made by check or money order and should be made payable to the **Orange County Commissioner of Finance**. Cash payments will not be accepted

All applicants are responsible for payment as the Orange County Division of EMS no longer accepts state reimbursement for EMT Basic Original or EMT Refresher courses. Eligible students may apply to the NYS DOH Bureau of EMS for reimbursement when they have passed the program.
