Subdivision Maps

After a subdivision map is approved by a town or city planning board, it **MUST** be filed in the Clerk's Office.

We urge you to check the filing requirements of the County Clerk's Office that have been mandated by the state and local governments.

The planning board office in the city or town where the land is located can supply you with a list of these requirements, or call 291-3084.

Legible Copies

Whenever a paper or document, presented to a County Clerk for filing or recording is not legible or otherwise suitable for scanning or recording by the process, the County Clerk may require a legible or suitable copy thereof along with such paper or document, and the same fees shall be payable for the copy as are payable for the paper or document.
