

TRAINING BULLETIN

SCBA CONFIDENCE

This course provides a solid indoctrination in emergency procedures and establishes confidence using SCBA in a crisis situation. It is physically demanding and students must be in good physical condition and qualified for interior fire attack.*** This course is designed to teach the student his or her personal limitations when using SCBA. Students must therefore attend all sessions in order to complete the course and receive a certificate. Make-ups at a later date will not be allowed.

Designed for:	All fire service personnel
Course length:	15 hours
Prerequisite:	Firefighter I or equivalent
Min /Max # of students:	6 / 10
Materials needed:	SCBA, Spare Cylinder and Full PPE required for every class. It is strongly recommended that students bring water or fluid replacement type drinks.
