

BAIL

If the court has set bail in an inmate's case, the inmate may be bailed out seven days per week, twenty-four hours per day. The person posting the bail must present a valid picture ID. There are three methods of posting bail:

- 1) **CASH.** Cash will be accepted for bail payment at any time. Cash bail in the amount of \$10,000.00 or more will require that the person paying the bail fill out IRS Form 8300 at the time of the transaction. The form will be provided at the Jail.

- 2) **BAIL BOND.** Bail bonds provided by a license Bondsman will be accepted at any time. The following Bondsmen are available to provide this service:
