Do you love kids?  
Does it make you sad  
to know that hundreds  
of children in your  
community cannot live  
in their own homes?  
Don't you wish you  
could just help?

---

## You can.

Join with the Foster Care Network and Orange County Department of Social Services today and make a difference. As a foster parent, you can provide the loving home environment these kids so desperately need.

So many of our kids do not get a fair chance at life. It's not their fault but they are the ones who suffer. Our community does not have enough foster parents. We need your help! There are kids—brothers and sisters—who need you. Help keep them together—make a home for them right now.
