with thanks to

Rosanne Sullivan, Laurence LaDue,
 Priscilla Gersbeck and Courtenay Cancellieri
 for their help in gaining access to death records.

All of these 116 memorials have been posted to
www.findagrave.com
 in "Orange County Farm Burial Ground #2".

Memorial numbers are on the far right.

"P" indicates that a photo has been posted online.

Those without a "P" do not have visible markers.
They just a number within a row...and most of
those numbers are not visible. Only a handful
of grave number markers are left.
